

2008 Potter Charity – Important Notice

Unfortunately, the Mary Webb School Green Room project has had to be shelved, as the total required to go ahead with the building could not be guaranteed. The £3,500 raised from the 2008 Pontesbury Potter has therefore been retrieved and redistributed as follows:

£1000 to Severn Hospice

£1000 to Macmillan cancer support

£500 to the Mary Webb School Fund and

£1000 to Ovarian Cancer Action, in memory of Gill Harris who died of ovarian cancer on 6th August 2008. Gill was a fell runner of extraordinary talent, who loved the Shropshire Hills where she ran, and was very well known, liked and admired by everyone in the fell running community. She will be very much missed at the many fell running events that take place in Shropshire.
